

PUBLIC *Lecture*

FACULTY OF ECONOMIC & MANAGEMENT SCIENCES

Department of Economics

TOPIC: *The Namibian Housing Market and the FNB Housing Price Index*

Date: Monday, 27 February 2017

Time: 12:00 until 13:00

Venue: Conference Room, ILRC – Main Campus (Windhoek)

Mr Namene Kalili

Research Manager: FNB Namibia

About the Presenter

Mr Namene Kalili is an economist by profession, with 18 years work experience ranging from socio-economic research to econometric modelling. He has worked for the Namibia Economic Policy Research Unit, Namibian Broadcasting Corporation, Namibian Agronomic Board and is currently heads Economic Research at FNB Namibia. He has consulted for the liked of the World Bank, International Monetary Fund, International Labour Organisation, World Trade Organisation and various governments around the world. Back home, Mr Kalili has pioneered housing research in Namibia for the past 12 years starting with the Housing Finance in Namibia study, then compiling the FNB House Price Index and sits on the National Housing Advisory Council.
